

Public Notice
Iowa Department of Natural Resources

Notice is hereby given that the Iowa Department of Natural Resources (IDNR) has under review a Prevention of Significant Deterioration (PSD) Air Quality construction permit application submitted by Cargill, Inc. for their plant located at 17450 Monroe-Wapello Road, Eddyville, IA 52553.

Based upon the information provided by the applicant, IDNR has determined that this project involves a modification to an existing PSD permit. The permit application has met the requirements of 40 CFR 52.21 and 567 Iowa Administrative Code 33.3(455B).

A copy of the complete permit file, the draft permit, the evaluation and the application is available for public inspection at the Iowa Department of Natural Resources, Air Quality Bureau, 502 E. 9th St., Des Moines, Iowa and also the Eddyville Public Library, 202 South Second St, Eddyville, Iowa. In addition, a copy of the fact sheet and draft permits can be found on the Department's website (<https://programs.iowadnr.gov/airqualityconstructionpermits/Pages/PublicComment/Search.aspx>).

All comments regarding the permit modifications must be received on or before the end of the public comment period, which will run from March 6 to April 5, 2020. A public hearing may be held if requested prior to March 23, 2020. Written and signed comments may also be directed to Karen Kuhn, PE, Air Quality Bureau, Iowa Department of Natural Resources, 502 E. 9th St., Des Moines, Iowa 50319; Phone: 1-515-725-9560; FAX: 1-515-725-9501; or Email: karen.kuhn@dnr.iowa.gov.

Upon the issuance of the permits, all comments and the permits will be available to the public at the IDNR office and for a month at the Eddyville Public Library.
